You can use a VPN like ExpressVPN, our pick for location spoofing, to connect to a server in Brazil and catch the match live for free. In the US, you may be able to watch for free with a streaming trial from DirecTV, FuboTV, or YouTube TV.

The 2026 World Cup has ended, but football (or in the US, soccer) goes on. If you miss the exhilarating goals, dynamic action, and incredible drama, don't worry: There's still plenty of soccer to be watched. The current MLS season continues with the Leagues Cup, which pits MLS teams against Mexico's Liga MX clubs. However, if you want to see the best, you'll need to look to the Premier League.

Hey fellow English Premier League Live Streams viewers. As I've been watching Premier League Streams for quite a few seasons now, I've done some digging to access the trusty Premier League Streams live Premier League Streams streams. I pirate everything sports, movies, TV Channels, and even made my own plex server. But lately I have gotten really into Premier League Streams and haven't found a great way to watch Premier League Streams live for free.

Livestreaming rights for the EPL are held by Stan Sport, which will show all 380 matches live, including this game. Stan .
